## The Tortoise and the Hare

### Aesop's Fable

Once upon a time there was a hare who bragged about how fast he could run. He challenged the animals for a race and the tortoise decided to run with him. All the animals in the forest gathered to watch the race.

Hare ran down the road for a while and then paused to play. After a while he played with the bear and the fox hockey in the forest. Then he continue to play with other animals of the forest.

Hare stretched himself out alongside the road fell asleep, thinking, "There is plenty of time to relax."

The tortoise walked and walked. She never, ever stopped until she came to the finish line.

The animals who were watching cheered so loudly for tortoise.

The squirrel woke up the hare.

Hare began to run again, but it was too late. Tortoise was over the line.

The tortoise won the race and hare congratulated her for winning the race!
